## MANHATTAN ARTIST SCHOOL CALENDAR CONTEST

The Manhattan Foundation for Educational Excellence is hosting a "Manhattan Artist School Calendar Contest". Budding artists are being called upon to honor their school building and artistic talent by creating a drawing of their respective school building! Artists who submit an artsy adaptation of their school building will be judged on school building recognition and overall creativity.

The winning masterpieces of each school building will be displayed on the 2010-2011 School Calendar with the Student's name, grade and drawing!

Wilson Creek, Anna McDonald and Manhattan Junior High students wishing to participate in this contest are to complete and submit the below contest admission form and send it in an envelope labeled Manhattan Foundation to their teacher by Monday, March 8, 2010.

Please note: All drawings submitted and related intellectual property rights become the property of the Manhattan Foundation for Excellence and will not be returned.
