**Manhattan School District #114
Foundation for Educational Excellence**

**15606 W/ Smith Road • Manhattan, IL 60442
www.ManhattanFoundation.org**

The *Manhattan Foundation for Educational Excellence* was formed in 1997 in order to generate supplemental funds for the school district to meet needs that are not within the constraints of the current operating budget.

Various fundraising projects are conducted throughout the school year; profits from these fundraisers help to finance projects and items which directly enhance the education of the students in the district.

Our new after school programs have been a huge success and with your ongoing support, can continue to be offered throughout the school year.

We are currently seeking new members to join the foundation to help accomplish our lofty goals.

Meetings are held once a month during the school year.
